## HILTON AND STEWART.

Every one who ever had any dealings with old Stewart, the New York dry goods man, felt a thrill of delight when they learned that Judge Hilton had been placed in charge of the estate.

Stewart was the severest type of a shrunken-souled, miserly millionaire that ever lived. He made his money on sharp bargains, cornering the calico print market and firing poor work girls two cents every time they looked out of the window. He kept his half-starved clerks on a car-conductor's pay, and frequently threatened to crush out any commercial house which would offer them an advance.

Well, when the old wretch died everyone was glad to hear of it, and still more delighted when they knew that Hilton had placed his paws over the estate. As the confidential agent of Mrs. Stewart, he managed her affairs so that the millions left by Stewart began to melt away.

In the Stewart will case it was shown that Hilton purchased 100 shares of Chemical Bank stock for \$190 a share. Experts testified that in 1883 this stock was sold in open market for \$2,500 a share, in 1885 for \$3,100 a share, and in 1886 for \$5,000 a share.

Hilton sat in court and listened to this astonishing revelation of his rascality, and the calm, self-satisfied smile never left his face.

## Home Industries.

An exchange gives the following sensible advice:

Never send a dollar away from home when the article that a dollar will purchase can be obtained at home. Money is our financial blood. Its circulation keeps the business body alive. Bled that body by sending your money away from home and soon trade will put on a look of lethargy and inactivity. Always trade at home. It is twice blessed. It helps the persons patronize and finds its way to you again. Spend your money with merchants who help sustain the city you reside in who pay taxes and are with you the year through.

If the people of Carson had but learned this lesson ten year ago, the town would have been twice its present size to-day.

They are fixing for a big spree in New York at the coming Washington centennial on the 29th and 30th of the present month. How the big guns are going to dine is told in the following:

The Hoffman House chef and the chief steward of the same hostelry have been selected to superintend the centennial banquet in New York City on April 29, and the grand Presidential dinner on the following day. For the banquet there will be a buffet 550 feet long, also a private table of twelve covers, at which the President and his party and Mayor Grant will be seated. Four brands of champagne have been selected, and it is expected that between 3500 and 5000 corks will be exploded on that night. The dinner each day will be on an immense scale, with seats provided for 800 guests. To accommodate this number there will be twenty-six tables, simulating six immense horse-shoes. Each table will be dressed with the utmost care. The banquet and dinner will take place in the Metropolitan Opera House.

Grammar, as a topic of newspaper discussion, has found its way to Stockton. The English grammar popular in Stockton is as unique a conglomeration as the French spoken in Grass Valley.—Sacramento Bee.

Ed. Colnon, of the Mail, is the leading grammarian of Stockton. Years ago he worked in the same office with us. We taught him all he knows about grammar, and he taught us what we know about spelling. The result is, he knows d— little about grammar, and we know very little about spelling.

The Comstocks have had a set back. Somebody failed to unload in time, and there is considerable quiet squealing.

## TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.5 and weighs over 1,200 and is the finest looking man ever saw. He took the first premium for 3-year-old Stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$30 to insure.

## PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 20 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 29 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to St. Clair brood mares and the most of his horses that have made the best records for 2-3 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 23 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2, 3 year old record 2 16 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt I can sell you one cheap. Positively no shooting allowed on the premises.
